

A message from Chris Chippindale, Ent Chief Experience Officer

While our merger with Wings Credit Union is still in process, I'm excited to share one of the first ways it will benefit members. In the summer of 2026, Ent members will be upgraded to one of the best-rated digital banking platforms in the United States. It's the same platform Wings Credit Union members currently use and love. And we think you will, too! It's packed with great tools like a smartphone widget for seeing your account balance at a glance, anytime credit and debit card management and new personalization features. We'll be telling you more about the many advantages in the coming months.

I'm also pleased to let you know that the National Credit Union Administration (NCUA) recently approved the Ent and Wings merger of equals. As we will operate under Ent's existing Colorado charter, Wings members will be voting on the merger over the next few weeks.

Looking forward, we will work on integrating systems — with a goal to maximize member benefit and minimize changes. All while continuing to uphold the values of the credit union you joined. Friendly. Local. And committed to doing what's best for you and the communities we serve.

Chris Chippindale
Chief Experience Officer
Ent Credit Union

You asked, we answered

To keep you informed every step of the way, we're sharing common merger questions from members. Have a question? Just ask at Ent.CUtogether.com.

Will the routing number change with the merger?

We're happy to share that our routing number will remain the same.

I have my Social Security check automatically deposited with Ent. Do I need to do anything as soon as the merger happens?

The good news is you don't need to do anything right away. If there are any changes in the future, they'll be communicated clearly and well in advance. But for now, you don't need to take any action.

Do I need to get new checks right away?

You're good to keep using your Ent checks and reordering as needed. If anything changes later with check ordering, we'll give you plenty of notice.

What will the new credit union be called?

Our name will be Wings Credit Union, which celebrates both credit unions' aviation legacies. The concepts of wings and flight also reflect the ideas of upward movement, goals, aspirations and achievement.

Celebrating International Credit Union Day | Oct 16

Each year, International Credit Union Day honors the spirit of the credit union movement and the positive impact we make together. At Ent, we proudly celebrated the day by recognizing the values that unite us — cooperation, community and care. Thank you for being part of our credit union family. Together, we're building stronger communities and a brighter future.

Ent gives back | Living our values: Hunger Action Month

Ent deepened its commitment to hunger relief with significant donations to food banks and grassroots programs across Colorado. This support is more vital than ever, as our partners are seeing increased need from those affected by the federal government shutdown. This includes:

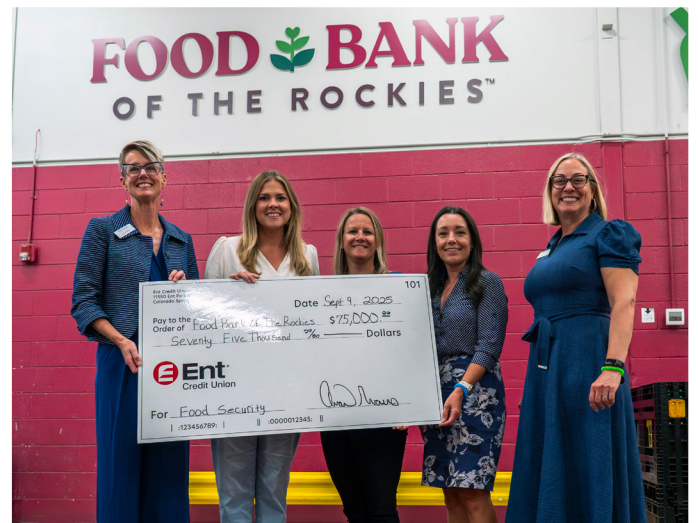

- Extending multi-year partnerships with Colorado's two largest food banks, Care and Share Food Bank for Southern Colorado and Food Bank of the Rockies
- Holding an employee food drive benefitting local food banks
- Supporting vital state-wide college food pantries, weekend meal programs and local hunger relief nonprofits
