Our fresh new look, in more new places

While you may be seeing the new Wings logo and colors in even more places, you can continue to bank with us as usual. With the same accounts, the same services and the same teams you've come to trust.

In addition to service center digital signs, your monthly statement, and our phone greeting, you may notice our new branding on our:

- **Checks** — reorders will have the new logo, you can keep using Ent checks until they run out
- **Credit and debit cards** — keep using your Ent cards: close to expiration, we'll mail your new card with fresh branding

40th Anniversary of serving Peterson Space Force Base

Forty years ago, Top Gun ruled the box office, the Chicago Bears won Super Bowl XX, and we began serving members on what's now known as Peterson Space Force Base.

This month, we celebrated that milestone on base — where we've built lasting relationships, earned the community's trust, and remained committed to providing resources, support and care to serve members and their loved ones.

We continue to be grateful for the opportunity to serve those who sacrifice so much for our country.

Connecting with Coloradans

Westminster Grand Opening and Ribbon Cutting

With the addition of our new [Westminster Service Center](#), we continue to grow our Colorado presence and deepen our community connections. The center celebrated its official ribbon cutting in late June alongside local business leaders, philanthropy partner Ralston House, the Westminster Chamber of Commerce, and our credit union leadership team.

Denver Broncos Alumni Association Gala and Golf Tournament

We proudly participated in this year's Denver Broncos Alumni Association Gala and Golf Tournament, welcoming more than 300 golfers and supporters for a fantastic day on the course.

Greeley Stampede

We were excited to be part of the Greeley Stampede over four of the event days: June 25–26, and July 1–2, connecting with thousands of attendees from across Colorado. We welcomed rodeo goers with paper fans to help beat the summer heat, while they enjoyed spinning the prize wheel for a chance to win a variety of other giveaways.

Red Rocks Yoga

Before the sun was up, the Wings team was already on site, arriving before 6 AM to welcome guests to Yoga on the Rocks at the iconic Red Rocks Amphitheatre. This event provided a memorable opportunity to introduce the new Wings brand while connecting with the Morrison community in a meaningful way. Members received an exclusive Wings yoga bag as a special giveaway. Thank you to our early-rising team members who made the experience a success!

Best of Teller

Being voted Best Credit Union in the Best of Teller Readers Choice Awards reflects our ongoing dedication to putting members first, and our Woodland Park Service Center team's commitment to doing just that. We're honored to be recognized in Teller County!
