Merger Update

Wings Credit Union | Previously Ent Credit Union

Gathering for Good: Expanding our support of Colorado communities

The Wings Credit Union Foundation held its first ever Gathering for Good event Aug 18, in Colorado Springs and awarded $250,000 to Early Connections Learning Centers. Established more than a century ago, nonprofit Early Connections continues to provide high-quality early child education and care for children in Colorado Springs.

The funding will help expand access to affordable, high-quality childcare at a new Early Connections childcare facility planned for the Bradley Ridge affordable housing community in southeast Colorado Springs.

“Access to childcare affects nearly every part of a community’s health and economic vitality,” said Annie Snead, Wings Credit Union vice president of community impact and Wings Credit Union Foundation executive director. “When families can access affordable, high-quality childcare, children are set up for success and parents are better able to participate in the workforce.”

The event at Wings headquarters in Colorado Springs brought together Wings leaders and dozens of local community impact leaders, including Colorado Springs **Mayor Yemi Mobolade**.

Strengthening our foundation of giving

As the merged credit union brings together decades of investment and impact in its local communities, the Wings Credit Union Foundation expands opportunities to support local nonprofits and community priorities.

Wings Credit Union CEO Chad Graves commented, “Continuing to engage in ways that strengthen our local roots, investment and care for community was a priority in our merger of equals.”

In 2025, Wings Credit Union invested more than $3 million in Colorado communities. Through charitable giving, partnership and investments, and volunteering, the combined foundation will continue both credit unions’ legacy of supporting people, nonprofits and programs that make a difference in Colorado and Minnesota.

Introducing Early Pay[1]

Great news — Early Pay is now live for eligible members! If you have a qualifying account with direct deposit, you could **receive eligible deposits up to 2 days before your scheduled payday**.

That means quicker access to your money when it matters most — whether you are paying bills, planning ahead or simply enjoying a little more flexibility in your week.

It's just one of **many member benefits** to come from our recent merger. More info is at WingsCO.com/checking.

Your feedback makes us better

As a credit union, we exist to serve members like you.

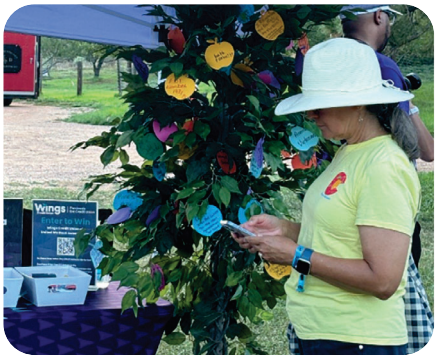
Connecting with Coloradans

United We Rock at Rock Ledge Ranch

As a proud sponsor of United We Rock, we helped Colorado Springs celebrate two milestone birthdays: America's 250th and Colorado's 150th. At our booth, attendees wrote family histories, future dreams and what they love about the Centennial State on paper apples and hung them on our **Roots and Fruits Tree**. Many also appreciated our free fans and entered to win a hot air balloon ride at the Labor Day Lift Off or tickets to the Broncos vs. Dolphins game.



Longmont Service Center ribbon cutting

Along with both the Longmont and Carbon Valley Chambers of Commerce, the community turned out in style at our Longmont Service Center ribbon cutting ceremony. We're honored by this amazing show of support and welcome the opportunity to build relationships, serve our members, and become a more active part of the Longmont community.

Bo Nix Connects with members

This summer, Broncos quarterback Bo Nix made a surprise visit to Wings Colorado HQ! During his visit, Bo connected directly with members by joining an Interactive Teller Machine (ITM) call and spending time in a one-on-one phone conversation with a member. Bo also met with team members throughout the day, learning more about Wing's commitment to serving members and the impact we make across Colorado communities.
